

**PAUL BUNYAN DAYS  
LABOR DAY WEEKEND  
2019**

Paul Bunyan Day's is a 4 day celebration of our logging history in St. Maries Idaho. It is held each year during Labor Day Weekend. We have several food and craft vendors, a Carnival (Davis Shows North West), logging and water events, Tug of War contest, Quilt Show, Demolition Derby at County Fairgrounds.

The largest fireworks display in the Northwest, Parade and entertainment throughout the weekend. The attendance for the 4 day celebration is estimated at 30,000 people, we don't charge for parking or admission to the park or any of our event. This is totally a family fun weekend.

We are in the process of setting up vendor space for this year. We have between 25-40 vendors every year, the space is very limited and most of our previous vendors will be returning. Because of the limited space and attendance we only allow 2 vendors selling same item or product. We opened up a new area where the Topless Bar (beer garden) use to be and will put vendors in that area surrounded by trees. Previous year vendors are chosen over new vendor's if application is received by April 15 2019. New vendors will be considered and notified. We have no space for Cargo or Trailer vendors at this time. We do have space for canopy type vending. Find below a price list and type and you need to mark which type you have. Send Application / Contract along with type of space needed.

**NEW FOR 2019**

**DUE TO OUR SETUP AND DESIGN VENDORS WILL HAVE TO SET UP AS THEY ARE SCHEDULED. IN THE PAST WE HAD SEVERAL VENDORS COMING 2 DAYS BEFORE THEY SHOULD HAVE. EACH VENDOR THAT IS ACCEPTED WILL BE MAILED A ACCEPTANCE LETTER WITH THEIR DAY FOR SET UP. NO EXCEPTIONS**
